CRYSTAL LEWIS

I am an education researcher with over ten years' experience in project coordination and supervision, as well as data management, analysis, and reporting. I am happiest working at the intersection of K-12 education research and data management planning, helping researchers and practitioners obtain insights that improve student outcomes through harmonized, reliable, and documented data. I am also passionate about helping others organize their data and reporting through reproducible workflows.

🎓 EDUCATION

2011

Master of Public Policy
University of Minnesota

📍 Minneapolis, MN

2005

Bachelor of Social Work
University of Missouri

📍 Columbia, MO

💻 PROFESSIONAL EXPERIENCE

2022 | 2021

Lead Data Scientist
Streamline Data Science

📍 Remote

- Built example client facing crm dashboard in R flexdashboard to be used to publicize services. Currently featured on Streamline's website.
- Ingested data sources to build an internal metric tracking R flexdashboard that is automated through Google Cloud Platform to update daily. The dashboard is used regularly by our sales team.
- Built google trends R flexdashboard (https://gtrends-school.streamlinedatascience.io/) to show capabilities of automatic updating data.

2021 | 2019

Director, Data Strategy
Missouri Prevention Science Institute

📍 Remote

- Strategized data management plans for over ten actively funded projects and oversee their implementation.
- Merged, cleaned, manipulated, queried, validated, and documented data collected from school districts, state education agencies, surveys, assessments, and observations using R.
- Built reports, dashboards, and visualizations for dissemination of data.

2019 | 2016

Director, Research Implementation
Missouri Prevention Science Institute

📍 University of Missouri

- Supervised successful completion of data collection activities for six federally funded randomized controlled trial studies and two county funded projects.
- Delivered quarterly trainings to staff on data collection methods.
- Designed Qualtrics surveys and Access tracking databases.

2016 | 2013

Research Associate
Missouri Prevention Science Institute

📍 University of Missouri

- Coordinated two Institute of Education Sciences funded randomized controlled trial studies.
- Collected data in schools through classroom observations, surveys, and assessments.

2013
